

Requirements for 'Booking details'.
If the customer is not already logged in, the customer login dialog will be displayed.
Details of the facility, together with any relevant regulations (such as age restrictions, footwear, and no-show conditions, etc) will be displayed.
The customer name, member ID, and mobile phone number fields will be pre-filled.
The customer can either cancel or confirm the details.
Confirming the details takes the customer to the payment details page; cancelling returns the customer to the list of facilities page.
