

Task
Test the test filter on the "Tests" page in Testomat.io

Pairwise technique

#	State	Tag	Priority	Assign to	Field
1	Unsync	Selected	Hight	Me	empty
2	Unsync	empty	Low	Empty	Back-end
3	Unsync	empty	Important	Me	Front-end
4	Manual	Selected	Hight	Empty	Back-end
5	empty	Selected	Low	Me	empty
6	Manual	empty	Low	Empty	Front-end
7	Detached	empty	Normal	Empty	empty
8	Unsync	Selected	Critical	Me	Back-end
9	Detached	Selected	Important	Empty	Back-end
10	empty	Selected	Normal	Empty	Front-end
11	Manual	empty	Normal	Me	Back-end
12	Unsync	Selected	Empty	Me	Back-end
13	empty	empty	Critical	Empty	empty
14	empty	empty	Hight	Empty	Back-end
15	Automated	empty	Normal	Me	Front-end
16	Automated	empty	Empty	Empty	empty
17	Automated	Selected	Critical	Me	Front-end
18	Detached	Selected	Empty	Me	Front-end
19	Detached	empty	Critical	Empty	empty
20	Detached	empty	Low	Empty	Front-end
21	Automated	empty	Important	Me	Back-end
22	empty	Selected	Empty	Empty	Front-end
23	Detached	Selected	Hight	Empty	Front-end
24	Automated	empty	Low	Empty	empty
25	Automated	Selected	Hight	Empty	Front-end
26	empty	Selected	Important	Me	empty
27	Unsync	Selected	Normal	Empty	empty

Test filter options				
State	Tag	Priority	Assign to	Field
Automated	Selected	Low	Me	Front-end
Manual	Empty	Normal	Empty	Back-end
Detached		Hight		Empty
Unsync		Important		
Empty		Critical		
		Empty		

28	Manual	Selected	Empty	Me	empty
29	Manual	Selected	Important	Me	Back-end
30	Manual	empty	Critical	Me	empty

Without using pairwise testing - 360 cases
When using pairwise testing - 30 cases
