Test Charter

Project URL	[Convert to PDF](Convert%20to%20PDF)
Date	17.07.2024
Time Box	40 minutes
Objectives	Evaluate the application's user interface and overall user experience.
Tester	**Shubina Nataliia**
Start Time	09:00
End Time	09:40
Testing Notes:	[Table below](Table%20below)

Scope Areas:
Choose file from explorer
Drop file
Import from Google Drive / Dropbox
Add several files
Download PDF
Restart
Erase PDF
Save PDF to Google Drive / Dropbox

Notes	Status	Bugs
Convert to PDF valid file format	Pass

Upload file using all available ways (drop file,import, upload)	Pass	
Convert two and more files	Pass	
Show imported/uploaded image enlarged	Fail	BUG #3 https://prnt.sc/hCHs_-e77z-X https://prnt.sc/5lh6o4YLM3d5
Delete uploaded /imported file	Pass	
Download pdf	Fail	BUG #4 https://prnt.sc/UIZhvzAVuHg7
Preview (pdf with image)	Pass	
Erase	Pass	
Restart	Pass	
Save to Google Drive/Dropbox	Pass	

Bugs

BUG #1. The user can upload the file to the file area if the format is not supported
BUG #2. Invalid files don't have the 'This file type is not supported.' message on the files area when imported from Dropbox/google drive
BUG #3. The image is resized on the preview page when the user clicks the 'show file enlarged' button.
BUG #4. The 'Sorry, an error occurred. Bad Request' error message is displayed when the user when the user erased the previous PDF file, uploads a new file to the file area and clicks the "Convert PDF" button
